

HOUSE BILL No. 1114

DIGEST OF INTRODUCED BILL

Citations Affected: IC 12-9-5-5.

Synopsis: Person centered services for individuals with developmental disabilities. Defines "person centered approach" as the planning and delivery of services to individuals with developmental disabilities based on the developmentally disabled person's future plans rather than on traditional determinations of eligibility for discrete services, with an emphasis on the preferences of the person with a developmental disability and that person's family. Requires the division of disability, aging, and rehabilitative services to prepare certain reports concerning its activities. Allows the division of disability, aging, and rehabilitative services to amend or adopt rules to accomplish the objectives. Provides that these provisions expire July 1, 2010. Appropriates \$75,037,063 to the division of disability, aging, and rehabilitative services for
